

## **Pancake House**

Pancake House is a seated service restaurant located at the top of the lake.

The access to Pancake House is level. Entrance doors are by a double set of automatic operated doors, giving access to a substantial lobby.

The restaurant is fully accessible to guests in wheelchairs.

Lighting in the restaurant is subdued in the evening.  
Alternative arrangements can be made to view menus.

Large print or braille menus are available, please ask your server.

There is a small indoor children's play area.

An accessible toilet is located in the unit.
