

Jardin des Sports (JDS)

Entrance

The main entrance to the Jardin des Sports is situated at the opposite end of the building to Sports Café. There are manually operated double doors at various locations along the side of this building.

Bike parks are situated slightly away from the main entrance down a slope.

The JDS is the closest location to the following outdoor activities:

- Tennis courts
- The Tennis bubble in winter
- Outdoor Bowling Green
- Outside play areas

However, not all the tennis courts are accessible by wheelchair, please ensure that you request level access when booking. The tennis bubble is not accessible.

Toilets

Accessible toilets are available at ground floor level within the JDS at either end of the building. There are no accessible showers or specific changing facilities in this building.

Leisure Booking Point

A lowered counter is provided at the Leisure Booking Point.

Induction Hearing Loop

A portable induction hearing loop is available on request for use within the whole of the Jardin Des Sports and in any of the adjacent buildings.

Squash

The door into the squash court is too narrow for normal wheelchair access.

Gym

Access to the gym is level with a push pad security code controlled access. Any member of staff will provide assistance to use the push pad. The gym houses standard gym equipment. Please ring the JDS to establish if the gym will be suitable for you. Center Parcs does not provide free weights.

Roller Rink

This is accessed by stairs from the left hand side of Starbucks or a gradual slope from the right hand side of Starbucks by the snooker tables

Outdoor bowling green

There is a substantial step onto the green.
