

STSP ACTIVITIES

Please ensure that you highlight any disability that is likely to affect your ability to participate in your chosen activity at the time of booking to allow us to make appropriate arrangements for any individual requirements and to brief lifeguards/instructors on duty

Baby Dolphins Age: Under 3 years. Supervision of one parent to one child is required.	Activity is suitable for guests with additional needs. Local access ramp available.
Swim Pups Age: 3 months – 2 years and 2 years – 4 years. Supervision of one parent to child is required. Duration 30 mins.	Swim Pups activities are suitable for all as they are parent accompanied activities. One to one sessions can be arranged with prior notification
Mermaid and Sharks Age: 6 years and over.	Guests must be an equivalent to ASA level 5 or above. A swim test will take place before the activity. Participants must be able to swim 25 meters independently and confidently and tread water for 30 seconds unaided. Guests must be able to follow safety instructions. A health & safety form must be completed for all participants. If you have medical conditions that may preclude participation, please consult your

	<p>doctor prior to arrival and bring with you written evidence of your fitness to participate, signed by your doctor.</p>
<p>AQUA JETS Age: 8 years +</p>	<p>Guests must be competent swimmers. Activity is suitable for the majority of guests with additional needs providing they have full use of their arms and can swim or move through the water unaided. Guests also need use of their hands and ability to grip and maintain pressure on a button for prolonged periods. Guest must be able to follow safety instructions. A health & safety form must be completed for all participants. If you have medical conditions that may preclude participation, please consult your doctor prior to arrival and bring with you written evidence of your fitness to participate, signed by your doctor</p>
<p>MINI JETS Age: 3 – 7 years</p>	<p>Activity suitable for the majority of guests with additional needs, however, full use of arms is required and the ability to follow instruction. One to one sessions can be arranged with appropriate notice.</p>
