

## **Activity Den**

The Activity Den is located within the Sports Plaza.

There is a lowered counter and access control within the main entrance to the Activity Den.

Accessible toilets are provided near the Activity Den within the Sports Plaza.

All areas of the facility are accessible.

Guests with additional needs can be accommodated in most sessions, including guests who require supervision in addition to the usual ratios prescribed by OFSTED. If additional supervision is required over and above the OFSTED prescribed ratios, at least 48 hours' notice is required to arrange this where reasonably possible. It's recommended to call as soon as booking to ensure availability for all sessions.

Sensory toys and activities particularly suited to children with particular disabilities are available, however these are limited. Please contact the Activity Den Manager if you wish to establish if particular items are available.

The Activity Den Garden is suitable for wheelchair users or guests with mobility issues.
