

FORESTERS' INN

Entrance

The main entrance to the Foresters' Inn has level access through double opening doors. This is the closest location to the following activities: pony riding, foot golf and the golf course. The geo cache and adventure trail activities pass by here during their course.

Toilets/ Changing Facilities

The nearest accessible toilet is in Foresters' Inn restaurant.

The closest Changing Places is situated next to the First Aid Centre in the Village Square which is approximately a 15-minute walk.

Foresters Restaurant

Bright lighting is provided throughout the restaurant

Approximately 40% of the seating is on a raised area. This area is raised by three steps.

The outside terrace can be accessed at ground level with no steps. Patio chairs can be used, or room is available at all tables for wheelchair access.

The ground floor restaurant area of Foresters' Inn is near to the children's play area.

The play area consists of wooden steps/stairs to an upper deck this leads to a slide from the upper level to the ground floor.

Climbing nets and wall mounted activity boards are also included.

The outside play area can either be accessed by a step or by a flat surface; this has a tree house activity centre with access by steps that lead to a slide. The area is covered with bark shavings.

Pool tables & the fitness studio are on ground level.
