

The Coffee House

The Coffee House is a counter service coffee shop with grab and go food and is located between the village centre and the lake

The entrance to the Coffee House has level access through automatic double opening doors.

The store has level access throughout.

Bright lighting is provided throughout the store

The counter has a low level section. Staff will provide assistance with carrying of trays to tables on request.

An accessible toilet is located in the unit

The menu is provided on the wall above the service counter. Print is large, however, staff will assist as necessary when assistance is requested.

Amplified music is played in the restaurant.
