

Falconry and Bird Hide

The Falconry Centre is located at the Village Square in a purpose built arena. There is level paved access at the entrance but the Falconry arena has a woodland floor and although standing areas are gravelled/wood-chipped, these may be wheelchair challenging to traverse in, however, a staff member will be happy help.

The closest accessible toilet is located at the Village Square, within Foresters Kitchen and Terrace.

The Bird Hide is accessed from the road near the Wildflower Meadow Land Train stop along a gravel/wood chipped path, approximately 15metres. This is also the closest drop off point for the Mobility vehicle.

No toilet facilities are available in the vicinity of the Bird Hide, the closest being at The Boathouse or Target Centre.
