

Grand Café

This is a seated service restaurant, with counter bar service or at table service for drinks, situated in the Village Square.

Entrance

The main entrance has level access through manually operated double doors. Both need to be opened to give sufficient access for a wheelchair. Please request help from staff if required.

Accessible toilets

Accessible toilets are present in the facilities shared with the Pottery Studio next door.

Lighting

Lighting in this restaurant can be subdued particularly in the evening.

A large print or Braille menu is available on request.

A portable Induction Hearing Loop is available on request and can be used in the vicinity of the Village Square.
