

## **Hucks**

Hucks is a seated service restaurant situated in the Plaza with level access.

Some of the seating is benched, but staff will be happy to find you a suitable area to sit. If there is more than one wheelchair in a group prior notification would be advisable to facilitate seating.

### **Lighting**

Lighting in this restaurant is subdued during the evening.

### **Toilets**

Accessible toilets are available near to the children's play area at the far left of the restaurant.

### **Noise**

This is a lively family restaurant with background music.

### **Play Areas**

There are two indoor play areas that are situated at one end of the restaurant; one is a toddler soft play area which has level access. The other is a large wooden structure, based over multiple levels, accessed by a wooden staircase for older children.
