

Sports Café

Access

This restaurant and bar is located within the Jardin des Sports and has level, open access from the main walkway and the outdoor terrace.

The bar is not provided with a lowered counter area. However, staff will offer reasonable assistance to provide service at the bar or table.

The Terrace area at the front of Sports Café is provided with level access via the Sports Café Front Entrance.

There is limited access to the internal play areas, due to space constraints and the foam based flooring.

Toilets

Fully accessible toilets are available adjacent to the Sports Café.

Noise

Noise levels within the restaurant can vary greatly especially when major sporting events are being shown in the restaurant.

Large print and Braille menus are available if required.
