

## **Sports Plaza**

### **Entrance**

The main entrance to the Sports Plaza is through an automatic push pad operated door as well as manually operated double leaf doors at various locations along the side of this building.

Bike parks are situated slightly away from the main entrance down a slope.

The Sports Plaza is the closest location to the following outdoor activities:

- Tennis Courts
- Children's Maze
- Outside play areas

However, not all the tennis courts are accessible by wheelchair, please ensure that you request level access when booking.

### **Toilets**

Accessible toilets and a Changing Place with ceiling track hoist, shower bed and adapted WC is available at ground floor level within the Sports Plaza.

### **Leisure Booking Point**

A lowered counter is provided at the Leisure Booking Point.

### **Induction Hearing Loop**

A portable induction hearing loop is available on request for use within the whole of the Sports Plaza and in any of the adjacent buildings.

### **Squash**

The doors into the Squash Courts are too narrow for normal wheelchair access.

### **Gym**

Access to the gym is level with a push button security code controlled access. Any member of staff will provide assistance to use the push pad. The gym houses standard gym equipment. Please ring the Sports Plaza to establish if the gym

will be suitable for you. Center Parcs does not provide free weights.

### **Roller Rink**

This is accessed by stairs from the left hand side of Starbucks or a gradual slope from the right hand side of Starbucks by the snooker tables

### **Children's Maze**

There is a substantial step down into the maze, which also has a wood chipped floor.

### **Snooker Garden**

The Snooker garden has level access to standard Snooker and Pool tables.

### **House of Games**

The House of Games is situated within the Sports Plaza and has level access. Most of the games machines in the area are accessible, although height of buttons, levers, etc. vary from machine to machine.

### **Indoor Climbing Adventure**

The Indoor Climbing Adventure has level access for spectators. Participants are required to have a high degree of mobility and be able to follow verbal instructions.

### **Mini Bowling**

Mini bowling is situated in the same area as Indoor Climbing Adventure, with a small ramp to the bowling lanes.

### **Soft Play Area & Football Pool**

Soft Play and Football Pool are on the upper level within the Sports Plaza, accessible by two ramps from either end with seating and tables available.

Soft play consists of floor level cushions and soft toys for toddler age children.

Football Pool requires participants to negotiate a step height of approximately 200mm (8 inches) on to a large floor level pool table to play.

**Table Tennis** tables are spaced to allow wheelchair accessibility.

There also a number of arcade style activity games machines in this area.

We allow carers places on our Leisure Activities without payment.
