

Mobile Telephone Coverage

The following mobile telephone networks have varying degrees of reception across the village. The reception for the following networks is generally as stated, but due to trees, topography, etc. this may also vary:

02	Good
Vodafone	Average
EE	Average

Other networks have limited coverage across the village.

Within the Village Centre buildings and immediate surroundings, all networks suffer from areas of poor coverage.

Wi-Fi Coverage

Wi-Fi now covers all areas of the Parc.

This can be accessed for free by logging in on the Guest Wi-Fi log in.
