

## **Play Areas / Family Putting**

### **Play Area – Pirates of Sherwood**

The play area behind the boat house has hard standing at the entrance. The rest of the area is surfaced in bark chippings.

The swinging bridge section has handrails either side to aid walking and balancing while crossing.

This play area consists of a 'Log Style' climbing construction.

The majority of the equipment requires children to be able to climb and balance.

### **Play Area – Forest Swings**

The play area adjacent to the beach has three entrances. The two entrances from the road are level. The entrance from the beach is stepped with handrails. This is a large play area, with some bench seating (some with tables)

This play area has a variety of play equipment.

### **Family Putting**

The Family Putting activity is outside the Country Club area and the course is fully accessible for wheelchairs.
