

Santa's Woodland Workshop

Located adjacent to the Venue, Santa's Woodland Workshop is accessed via a hard standing area. Each exit, leads onto a bark chipped woodland area.

The Workshop's interior is all on one level and certain exits do have ramps.

Access to a Grotto room is available with pre-planning with Center Parcs staff to enable a visit with Santa.

Lighting is dimmed and there is music and lights.

The Christmas Shop has one step into the retail area and if you require assistance please ask a member of staff who will be very happy to help with access via a portable ramp.

The nearest toilet/adapted toilet is located at Starbucks within the Village square, approximately a 2 minute walk.
