The First Aid Centre has level wheelchair access via a ramp.

The waiting area has turning space for a wheelchair. A high seated chair is available if required.

The consulting / treatment rooms have level access.

The First Aid Centre has an accessible toilet.

A portable Induction Hearing Loop is available if required.

## **Medication**

Please be aware that the First Aid Centre are unable to administer or provide medication.

## **First Aid Provision**

Qualified First Aid provision for guests is available in all areas of the village.

The First Aid Centre is staffed during the day by a qualified team, and a medical vehicle is available for use by them for emergency call outs.

Security staff provide 24hour First Aid cover.

All of our staff are aware of how to request first aid provision if they are not qualified first aiders themselves.

Emergency contact details are provided in the online Safety Information.

## **Defibrillators**

Defibrillators are available in Central Building locations and staff in those areas are trained in their use.

Should you wish for further details, our management team will be able to provide details of their exact locations to reassure you.
