

## **The Green Room & Lounge**

The main entrance to the Green Room Lounge is via level access from within the village centre via two sets of manually operated double leaf doors with intervening lobby. A further set of manually operated double leaf doors gives access to the show area.

### **Main Seating & Lounge Seating**

All seating is movable and accessible to wheelchairs, with ramped access at the left hand side of the auditorium that is accessible to all 3 levels of seating and to the stage area.

### **Lighting**

General lighting levels are subdued for events; however, stage lighting is used during shows and does include occasional strobe effects.

### **Accessible Toilets**

Accessible toilets are available within the Green Room, accessed from the Green Room Lounge. There is also a Changing Place by the main entrance to the Green Room

### **Counter Levels**

The Green Room lounge has a lowered counter area,
