

Leisure Bowl

Entrance to Leisure Bowl is in Village Centre next to the Subtropical Swimming Paradise entrance and via a ramp from ground level.

The entrance has two sets of manually operated double leaf doors – these are usually held open during opening hours.

Accessible toilets are available in Leisure Bowl in the bar area.

Lighting in all area is subdued, particularly in the evening.

A portable Induction Hearing Loop is available within Leisure Bowl for use at the bar and at the Leisure Booking Point.

The bar area and Leisure Booking Point has a single lowered counter section (height 800mm). Staff will also be happy to assist.

Bowling lanes are fully accessible with ramps for children and wheelchair users.

Seating within the bar and disco area is on one level.

Access in the House of Games area may be limited due to the close proximity of the gaming machines.
