

The Pancake House

Situated on the lake side boardwalk at the lower side of Village Centre, next to Dining In.

Access is via a single leaf door, not assisted, followed by a second internal door (not assisted).

Internally the unit is based on a single level, with seats and rooms for wheelchair users. However, the venue has some boothed and banquette seating which is not accessible. The venue operates full table service.

There is an external seating area on single level which is accessed via the main restaurant or from the boardwalk. There is limited space for wheelchairs.

The unit has an accessible toilet.

Large print and Braille menus are available on request.
