

The Rangers Lodge

Situated 5-minute walk from Sports Plaza; the Rangers Lodge is accessed via sloping footpaths.

There is a large cycle park adjacent to the Lodge.

The Rangers Lodge is a single story building with sufficient room internally for a wheelchair to move freely, both in the activity area and the shop.

The counter within the lodge is 750mm height.

Accessible toilets are available at the Ranger's Lodge.

All activities that originate from the Rangers Lodge are available to guests with disabilities, but due to the nature of some of the activities advance notice of participation by disabled guests allow the activity to be adapted for full participation where adaptation is reasonably possible.
