

Security Lodge

The security lodge is normally approached by vehicle.

This facility is manned 24 hours a day.

A lay-by area exists for the parking of vehicles should guests wish to enter the lodge

Access to the security lodge is via a level path with sufficient space once inside for the turning of a wheelchair.

There is a toilet available at the Security Lodge, however this is not an accessible toilet.

Our Security staff are happy to give assistance as requested. Security may be contacted on extension 3023 (01768 893023). They will attend the location on village where assistance is required as necessary to assist where possible.

A portable Induction Hearing Loop is available.
