

Starbucks

Village Centre

Located on the lake side boardwalk between Hucks and Dining In.

Entry to Starbucks is via a power assisted door.

Internal seating and counters are on a single level and the main counter and condiment stations have lowered areas (850mm). There is a fixed booth area in the centre of the venue which has restricted wheelchair access, however there is ample other seating throughout the venue.

Externally on the upper level of board walk, there is sufficient access for wheelchairs. The lower section of the boardwalk is accessed by 3 steps and is unsuitable for wheelchairs

Sports Plaza

Starbucks in the Sports Plaza is located next to the Sports Café.

There are 2 entrance points into the Venue. All access and tables are on a single level throughout.

The main counter and condiment stations have lowered areas.

All seating at this Starbucks is internal.
