

Dining In

Dining In is a take-a-way restaurant sited next to Just for Kids in the Village Square North on the lower level.

There is level access through double opening automatic doors fully accessible to guests in wheelchairs.

There is a small reception area of cushioned bench seating and an area with high stools.

Lighting: Lighting in this unit is bright.

The restaurant is not provided with toilets. The nearest accessible toilets and Changing Place are located next to Guest Services.

A portable Induction Hearing Loop is available upon request. Please advise staff when entering the unit if this facility is required.

This unit has background music.
