

Guest Services

Guest Services is located on the ground floor level of Village Square North.

The nearest cycle park is sited next to the village square.

The main entrance has double automatic doors. There is good lighting throughout.

Toilets

An accessible changing place is available next to Guest Services.

Induction Hearing Loops

An Induction loop is available for use within the Guest Services.

Counter

The counter has a lowered section. Staff will move to accommodate the needs of the guest if the counter impedes service provision.
