

Hucks

Hucks is a seated service restaurant.

This restaurant is sited at the top of the upper level of the Village Square North building. It has ground level access.

Entrance - The entrance doors to Hucks have level access through double opening automatic doors.

There is ramped access to a small area of banquette seating, which makes this accessible for guests then able to transfer to the fixed seating which is on a raised area.

Lighting – The lighting in this restaurant is subdued during the evenings.

Toilets - Accessible toilets are available just inside the entrance.

Hearing loop - A portable Induction Hearing Loop is available. Please advise staff at time of booking or seating.

Noise - This is a lively family restaurant with background music.

Special Events

Hucks hosts special event evenings. These events can have live music playing throughout.

Carers/personal assistants are welcome to attend free of charge to assist guests with disabilities. However, should the carer/personal assistant wish to eat or drink, there will be a charge for the meal/drinks only. There is an indoor children's play area.
