

Leon

Leon is a counter service grab and go food restaurant and is located in the Village Square North building.

The entrance to Leon has level access through automatic double opening doors.

The restaurant has level access throughout.

Bright lighting is provided throughout the restaurant.

The counter has a low level section. Staff will provide assistance with carrying of trays to tables on request.

An accessible toilet and changing place is located next to Guest Services, less than one minute from the restaurant.

The menu is provided on the wall above the service counter. Print is large, however, staff will assist as necessary when assistance is requested.

Amplified music is played in the restaurant.
