

Pancake House

Pancake House is a seated service restaurant.

The access to Pancake House is flat. Entrance doors is via a double set of automatic operated doors, giving access to a lobby, then through another single set of automatically operated doors into the main restaurant.

The restaurant is fully accessible to guests in wheelchairs. There is some booth seating but adaptations can be made when needed.

Lighting in the restaurant is subdued in the evening. Alternative arrangements can be made to view menus.

Large print menus are available, please ask your server.

Brialle print menus are available, please ask your server.

An accessible toilet is provided.
