

## **Dexters**

Dexters is a counter service grab and go food restaurant and is located in the Village Square North building.

The entrance to Dexters has level access through automatic double opening doors.

The restaurant has level access throughout.

Bright lighting is provided throughout the restaurant.

The counter has a low level section. Staff will provide assistance with carrying of trays to tables on request.

The restaurant is not provided with toilets. Accessible toilets are located in the entrance to the Subtropical Swimming Paradise and at Guest Services.

The menu is provided on the wall above the service counter. Print is large, however, staff will assist as necessary when assistance is requested.

Amplified music is played in the restaurant.
